Collage Rewa

07/2019 – 04/2022 | Rewa, india

### 🧩 ACHIEVEMENTS

- 6 Months Internship Experience in ByteBillion India Pvt.

### 🧠 SKILLS

- HTML | CSS | JavaScript
- React JS | Node JS | Express JS | MongoDB
- Github | Postman | Material UI | Vs Code

### 📁 EXPERIENCE

#### **Intern at ByteBillion India Pvt.**

Software Engineer

01/2023 – present | Indore

- Proficiently develop and maintain the front-end of web applications using React.js.
- Collaborate with designers and back-end developers to implement design concepts and integrate APIs.
- Implement Create, Read, Update, Delete operations using JavaScript.

### 📁 PROJECTS

#### **Personal Portfolio** 📄

**Tech stack :-** HTML | CSS | Github |

- The project aims to create our biological information as name ,skills,education etc.

#### **Calculator**

**Tech stack :-** HTML | CSS | React Js | Github

- The project aims to create a basic calculator that can perform arithmetic operations such as addition, subtraction, multiplication, and division.
- The calculator can be implemented as a software application or a physical device with buttons and a display.

#### **CricketMatch API**

**Tech stack :-** | HTML | CSS | React Js | Github |

##### **Key Features:**

- **Real-time Match Data:** Our API provides real-time updates on ongoing and upcoming cricket matches, including live scores, and match statistics.
- **Comprehensive Coverage:** Access data for international matches, domestic leagues, and various formats, including Test, ODI, T20, and more.
- **Team Information:** Get insights into team profiles, rankings, and historical data.
